

WHERE IS THE GENIE?

Disney Genie+ has
a new name

WHAT'S CHANGING

Disney Genie+ service will now become Lightning Lane Multi Pass and individual Lightning Lane will now be known as Lightning Lane Single Pass.

TWO NEW WAYS TO RIDE

While in the park, you can use the standby queues or virtual queues (where available) or you can use your app to purchase a Lightning Lane Multi Pass or Lightning Lane Single Pass.

LIGHTNING LANE MULTI PASS

Select up to three Lightning Lane experiences at one Theme Park pre-planned in advance, at the time of purchase. You can select additional options once your first selection has been redeemed.

LIGHTNING LANE SINGLE PASS

Lightning Lane Single Pass experience times can be selected at the time of purchase for most in demand attractions (up to two per day, per Guest).

WHEN?

Changes go into effect on July 24, 2024. Guest with reservations for eligible Resorts can purchase and begin pre-planning up to 7 days prior to their check-in date for the length of their stay (up to 14 days). Guest with date base tickets can begin pre-planning 3 days prior to their visit.
